I can help with: Historic Preservation Neighborhood Watch Newsletter Events Advocacy

The Rossmoyne/Mountain Homeowners Association is a *voluntary-membership neighborhood association.*

Bounded by Maryland Avenue on the west, Ethel Street on the East, Hillcroft Road on the north and Glenoaks Boulevard on the south, the HOA was originally founded by a group of neighbors to protect and preserve a peaceful and safe quality of life in our neighborhood and along our residential streets.

The Board of Directors of the Rossmoyne/Mountain Homeowners Association are all resident volunteers intent on maintaining a sense of community among residents in our neighborhood.

The Board's primary mission is to:

- 1) Foster and support communication among residents by encouraging neighbors to participate in various community building efforts and programs such as Neighborhood Watch and Historic Preservation;
- 2) Maintain an awareness of city plans and activities which may affect the neighborhood and work with city officials, staff, and neighbors to come to appropriate resolutions;
- 3) Provide a sense of community within the neighborhood by hosting events such as:
 - National Night Out and Summer Movie at Nibley Park
 - Neighborhood Walking Tours
 - City Council Candidate Forums
 - Annual Membership & Election Meeting
 - Social events at Historic Homes in Rossmoyne

Membership in the HOA is voluntary and open to each household upon payment of annual dues in the amount of thirty dollars (\$30). Membership dues and your participation is what binds us together as a community and keeps us prepared as a collective voice to represent the interest of our neighborhood. We encourage you to renew today!
